Jurisdiction

Sheila A. Kalina, hereinafter Respondent, was appointed a Deputy Sheriff on February 17, 1998. Respondent's position as a Deputy Sheriff involves duties and responsibilities to the public; each member of the Cook County Sheriff's Merit Board, hereinafter Board, has been duly appointed to serve as a member of the Board pursuant to confirmation by the Cook County Board of Commissioners, State of Illinois, to sit for a stated term; the Board has jurisdiction of the subject matter of the parties in accordance with 55 ILCS 5/3-7001, *et seq*; and the Respondent was served with a copy of the Complaint and notice of hearing and appeared before the Board with counsel to contest the charges contained in the Complaint.

As a threshold matter, a proceeding before the Merit Board is initiated at the time the Sheriff files a written charge with the Merit Board. 55 ILCS 5/3-7012. A document is considered filed, in this case with the Merit Board, "when it is deposited with and passes into the exclusive control and custody of the [Merit Board administrative staff], who understandingly receives the same in order that it may become a part of the permanent records of his office." *See Dooley v. (1914) "A paper is considered filed when it is delivered to the clerk for that purpose."

The original Complaint in this matter was filed with the Merit Board's administrative staff on November 22, 2017. Regardless of whether or not Merit Board Members were properly appointed during a given term, the Merit Board, as a quasi-judicial body and statutorily created legal entity, maintained at all times a clerical staff not unlike the Clerk of the Circuit Court ("Administrative Staff"). These Administrative Staff members receive and date stamp complaints, open a case file, assign a case number, and perform all of the functions typically handled by the circuit clerk's office. Just as a timely filed complaint would be accepted by the circuit clerk even if there were no properly appointed judges sitting on that particular day, so too was the instant Complaint with the Administrative Staff of the Merit Board. Accordingly, the Complaint filed on November 22, 2017 commenced the instant action, was properly filed, and will be accepted as the controlling document for calculating time in this case. An Amended Complaint was filed in this matter on January 25, 2018.

Findings of Fact

The Sheriff filed a complaint on November 22, 2017, and an Amended Complaint was filed on January 25, 2018. The Sheriff is requesting termination of the Respondent. The Sheriff alleges that the Respondent on May 2, 2017 failed to properly carry out the duties assigned and required as a Deputy Sheriff, and as a result a female detainee was sexually assaulted by two male detainees, and falsely reported that safety checks had been completed. The Sheriff further alleges that the Respondent was negligent and inattentive to duty which led to the sexual assault of a female detainee by the two male detainees. The Sheriff further alleges that the Respondent was untruthful to investigators from OPR regarding the incident. The Sheriff alleges violations of Cook County Court Services Department Policy Manual Policy 321.2, 321.3, 321.4, 321.5, 322.5.2, 321.5.5, Cook County Court Services Department Policy Manual Policy 900.2, 900.3, 900.3.2, 900.3.3, Cook County Core Services Department Policy Manual Policy 903.2, 903.3, 903.9, Cook County Court's Department Policy Manual 1100.2, 1100.3, 1100.3.8, and Merit Board Rules and Regulations Article X, paragraph B 3.

the bathroom cell behind Courtroom 106. (R. 145) Respondent [REDACTED] stated during the interview, after she saw the female detainee pop up, the female detainee stated she wanted to go downstairs. In the video it shows Respondent Kalina go to a desk and put her head down after the allegations are made to the sergeant by detainees [REDACTED] and [REDACTED] (R. 164) The investigator relied on General Orders during his investigation which were marked as Sheriff's Exhibit 21. (R. 165) General orders and policies such as 903 Prisoner Rape Elimination was in effect at the time. (R. 165, 166) Policy 903 states that it is the obligation of every CCSO member to report as soon as practicable through the chain of command any knowledge, suspicion or information regarding an incident of sexual abuse. (R. 166) Inv. [REDACTED] relied upon this policy during his investigation. The allegations were that Respondents did not report right away as provided in the policy. (R. 166, 167) Inv. [REDACTED] found that Respondent [REDACTED] failed to follow Policy 903 Prisoner Rape Elimination Section 903.9 "Obligation of CCSO Members to Report" which requires an officer to make a report as soon as practicable through the chain of command because he authored a supplemental report eight days after the incident was initially reported. (R. 166-7) Additionally, this supplemental report authored by Respondent [REDACTED] was not provided to a supervisor. (R. 179) Respondent [REDACTED] violated the rule and policy as she did not report anything at all on the first day of the incident. She did not mention anything until the next day. (R. 167, 168) Respondent [REDACTED] did not report the phone call that Respondent [REDACTED] received and she did not report that Respondent [REDACTED] moved a detainee out of a bathroom cell behind Courtroom 106. Additionally, the report that she generated the next day was only after she was told to do so. (R. 168) She also did not report that a male detainee had been removed from Courtroom 106's bathroom cell ten minutes before she saw a female detainee in the same cell. (R. 168) Inv. [REDACTED] further found that Respondent [REDACTED] violated the policy the same way. Respondent [REDACTED] stated in his report that he had no knowledge of male detainees having contact with female detainees that he had in his lock up. (R. 169) Sheriff's Exhibit 22 is marked for identification which is the CCSD Prisoner Security Procedure no. 900 which was in effect at the time of the incident. (R. 170) In CCSD Prisoner Security Procedure Section 900.3.3 (A) Prisoner Holding, it is required that detainees to be separated by gender meaning males and females should not be in the same cells. (R. 171) Additionally, Section (B) of Policy 900 requires that all detainees shall be visually inspected by sworn personnel and this is to be recorded in the prisoner safety check form along with any pertinent documents. (R. 172) Inv. [REDACTED] found that all four of the Respondents violated Policy 900 based on their statements regarding the doorway reviews, not going into the actual rooms, verbal checks that things were ok without actually witnessing the detainees. (R. 172) They also violated Policy 900 based on the fact that males and females were in the same cells. (R. 173) Sheriff's Exhibit 23 was marked for identification which was Cook County Court Services Department Courtroom Operations Procedure 1100 which Inv. [REDACTED] relied upon for his investigation. (R. 173) Policy 1100 contains a lock up monitoring section 1100.3.8 stating that all holding areas shall be subject to continual monitoring with visual inspection every 15 minutes at a minimum and recorded in the prisoner safety check form. Inv. [REDACTED] stated that all four named Respondents violated this policy. (R. 174) Respondent [REDACTED] admitted that she did not go back into the holding cells when she did her 15 minute checks. Respondents [REDACTED] and Kalina stated they did their checks and marked off the boxes even though they did not physically go completely into the holding cells. They also admitted sometimes their partners did them and they wrote their initials on the form. (R. 174, 175)

The Respondents admitted in their statements that they were in the courtrooms for long periods of time and did not complete the 15 minute checks even though they checked off the boxes on the forms. (R. 175, 176) Sheriff's Exhibit 24 is marked for identification which is Cook County Services Department Conduct Policy 321 which Inv. [REDACTED] relied upon for his investigation. He specifically relied upon 321.5.2(f) which states "failure to report activities on his/her own part or the part of any other member where such activities may result in criminal prosecution or discipline under the policy." (R. 178, Sheriff's Exhibit 24). Inv. [REDACTED] found that all four Respondents violated Policy 321. (R. 178, 179) Respondent [REDACTED] failed to include in his report that he had removed a male detainee from the cell and he did not report to his supervisors. Respondent [REDACTED] had knowledge that the male detainee was removed from the cell and later found that there was a female that popped her head out and she did not indicate this in her report or tell a supervisor. (R. 179) Respondent Kalina also knew there was a male in the bathroom cell and made a phone call to tell Respondent [REDACTED] to remove the male from her bathroom cell. Respondent [REDACTED] had knowledge of this as well and did not report it. (R. 179) Respondent [REDACTED] did not write in his original report that he had these interactions and did not give this information to his supervisors. (R. 179) Inv. [REDACTED] was only able to get this information when he requested it from the State's Attorney's Office which had included in their investigation. (R. 179, 180) Subsection 321.5.5(a) of the Conduct Policy 321 further states "failure to remain alert and visual consistent with the assigned duties". This was also violated by all four Respondents. (R. 180, Sheriff's Exhibit 24) Subsection 321.5.5(c) of the Conduct Policy 321, which states "unsatisfactory work performance including but not limited to failure, incompetence, inefficiency or delay in performing and/or carrying out proper orders, work assignments, or instructions of supervisors", was also violated by all four Respondents. (R. 180, Sheriff's Exhibit 24) Further Subsection 321.5.5(f) of the Conduct Policy 321 was violated by Respondents which involves "concealing, attempting to conceal, removing or destroying defective incompetent work." (R. 180, Sheriff's Exhibit 24) All four Respondents further violated the policy subsections (l), (m) and (ac), and (ad) which concern misleading or misrepresenting facts. (R. 181, 182)

Inv. [REDACTED] found that the actions and the conduct exhibited by the four Respondents was not in compliance with the Sheriff's Office policies and procedures. (R. 182) Sheriff's Exhibit 25 was marked for identification which is Article X of the Rules and Regulations for the Sheriff's Merit Board which Inv. [REDACTED] also found that all four Respondents violated. Sheriff's Exhibits 1 through 20 were admitted into evidence. (R. 184, 196) Sheriff's Exhibits 22 through 25 were also admitted. (R. 196, 197) Respondent [REDACTED] was in violation of Sheriff's Policies as she indicated she did the safety checks and it was clear from the evidence and her testimony that she did not conduct those 15 minute checks and relied on someone else to conduct those and signed off on them.
